Major and/or Career

- **Identify Interests, Values, Passions and Abilities**
 - What major is right for me?
 - What career path is right for me?
- **Consider the Future**
 - Will you still enjoy it years from now?
 - Is it employable?
 - Will it be around later in life?
 - Will it pay?
- **Choose the Right School/Training/Company**
 - Location, size, opportunities related to interests, internships, travel abroad options, etc.
- **Give Yourself Time**
 - UCLA national survey found that over 20% of student who had chosen a major upon entering university had changed their minds by the end of their first year.

Major and/or Career

- **Spot Any Disadvantages Before Choosing a Major**

- How likely are you to switch majors?
 - Additional time and money
 - Rigid prerequisites
- How connected is the university?
 - Local contacts - real-world experience & potential employment
- Implications of chosen school/program
 - Cost
 - Job Market
 - Potential need to relocate

- **Get Help**

- School Counselor
- College & Career Center
- College Representatives
- Talk with parent and peers
- College/University Open Houses
