AP/H RESOURCES AND SUPPORT

TUTORING

Individual tutoring based on your needs

Tutors are here and ready to help! Follow @mhhs.iamap on Instagram. You'll see tutor highlights per subject area so you can get to know our tutors. Direct message a tutor, or the account, to get connected with someone right away. From there, you'll set up a time to virtually meet in a way that works best for you. Don't use Instagram? Email Mrs. Markgraf at alecia.markgraf@smusd.org to get in touch with a tutor. Don't be shy!

AMBASSADOR ADVICE

Student-led support

The mhhs.iamap Instagram account will feature TUTOR TAKEOVERS. Tutors will post videos on IGTV, lessons & advice targeted on AP exams, and tips for course success. Each day you'll get access to new resources from experienced students. See you there!
