

2020 - 2021 NEW STUDENT ENROLLMENT

Thank you for your interest in enrolling your student in the San Marcos Unified School District (SMUSD). **SMUSD** uses ParentVUE, an online platform that allows parents to process all of their student information electronically.

This new enrollment process will take approximately 20-30 minutes to complete and you will be required to upload a copy of your **Government Issued Photo ID**, your student's **age verification** and **residency verification** documents.

Please ensure you allow yourself enough time to complete the form and have the necessary documents ready to upload, if you don't have all the documents listed, you may return to your application at any time. Please note that your application will not be submitted until all documents are loaded.
